Human Rights in Childbirth U.S. Summit **Birthing Justice Forum**

*Maternal-Child Health Champion
Awards Ceremony*

**Thursday, May 26, 2016
8:30 am to 6:00 pm**

**California Endowment Center
1000 N. Alameda Street – Yosemite
Los Angeles, CA 90012**

About the Forum

We will explore the reasons for maternal-infant health inequities and disparities in communities of color. Using a human rights framework, participants will learn about each of the fundamental rights of childbearing persons. Participants will come away with practical strategies and increased awareness of how to foster respectful and inclusive care and engender a more equitable maternity care system for all. Participants will also have the unprecedented opportunity to help draft a consensus statement on the Human Rights of Childbearing Persons in the United States.
